TECHNICAL SHOW RULES

1. Judges will try, as far as possible, to avoid disqualifying entries and where appropriate, judges may transfer entries to a more suitable class rather than disqualify. The judges may use their discretion over maximum sizes, especially where there is a large spread in hot weather.
2. Points awarded: 1st = 4 points, 2nd = 3 points, 3rd = 2 points, junior entries 1 point; and **only one award per entrant per class**.
3. **All** Entry Forms, with fees, to be delivered to David Edwards in the week commencing 7pm on Wednesday 18th August. Later entries will not be accepted. The committee reserve the right to allot the spaces for, or move exhibits; the right to change the classes; and the right to withhold any prize in any class if the exhibits are not suitable.
4. Judging will be between 11.00 am and 2.00 pm. Every exhibitor, unless otherwise agreed with the Committee, must retire from the show while judging is in progress.
5. Objections - any objection must be lodged with the Show Committee before the start of judging.
6. Prize-giving will be at 5.30 pm. No exhibit may be removed until after the prize-giving. All exhibits must be cleared by 6.30 pm.
7. Non-members may enter. Only existing paid-up members may receive classes.
8. In matters concerning the running of the show, judging & prize-giving, the decision is final.
